

WELCOME TO

The Round-Up

we're so glad you're here!

HERE WE ARE.

Happy New Year!

It's hard to believe that 2025 is done & dusted, but before we pack away all the decorations, we thought it was worth reflecting on the amazing year we've had as a Business Forum & community.

Thank you to all our members, new and old, who've given their time & energy to the Forum over the past year. It's been brilliant hearing your stories & understanding your different reasons for joining the Forum, this helps us focus on giving the best possible value for your membership.

As a committee we're working on creating a strategy that we hope will contain something for everyone, whether you have a shop/office, or are an online business. We'd love to hear from you with any ideas or points for consideration. We're also actively looking for some new committee members to join our fab team – please get in touch if you are interested in getting involved!

In the meantime, Happy New Year & we look forward to working with you in 2026!

Christmas in Southfields

BIGGER & BETTER THAN EVER BEFORE

It was so lovely to see Replingham Road buzzing with community spirit & such an enormous crowd around the stage to watch our local schools, choirs & dance groups perform so brilliantly.

This year we managed to increase the number of stalls to 14, which really helped add to the atmosphere as people stopped to chat & browse as well as grab some food or a cup of something.

Each year the event is generously funded by Wandsworth Council & AELTC, with Santa's Grotto also kindly sponsored by AELTC. A massive shout-out must go to Charles Runcie, a.k.a Santa, for helping the children of Southfields continue to believe. And also, of course, all our wonderful committee members who dedicated their time & energy to making the event as good as it could be.

The Silent Auction raised almost £1,500 for the Forum this year, a 50% increase on last year! Thank you to our generous members who donated such incredible prizes & to everyone who promoted & placed a bid.

(It's worth noting that the Council have plans to gradually reduce their funding over the next few years, so we'll be considering alternate ways to fundraise in order to keep growing this fab event!)

Welcome to all our new Members!

WE CAN'T WAIT TO GET TO KNOW YOU ALL.

Our new Makers Market

A GREAT OPPORTUNITY FOR OUR CREATIVES

Thanks to Micheal from Sarbores Tapas, we now have a venue from which we can trial a small Makers Market - allowing some of our online members the opportunity to show their wares & meet their prospective customers in person.

Mary from Sol y Luna spearheaded this &, with the support of Micheal & several other makers, put quite a bit of work into getting the space ready in time for a couple of 'market days' before Christmas.

On Sat 22nd, we had six fab traders - Mary from Sol y Luna, Slavica from Slavica Designs, Paula from From Paula with Love, Estrella from Nagomi Atelier Jewels, Tracey from Tracey English & Nathalie from Nathalie Agnus Art exhibiting & giving local residents the chance to buy some unique last-minute gifts.

We very much hope to be able to continue this trial in 2026 - perhaps with monthly market days - both giving our makers a high street presence & giving our local residents & visitors to Southfields an additional independent shopping experience.

A big thank you to Micheal, Mary & the other makers for bringing this to life.
